Who:

All IDEA students

When:

Tuesday, March 19, 2019.

Sessions:

Session 1: 10:00am-Noon

Session 2: 1:00-3:00pm

Details:

In this two-hour workshop students will make a collage art tile using pre-painted maps. At the end of the session collages will have a first coat of varnish, and families will take home a small container of varnish for two additional coats to be added later that day.

These tiles make wonderful coasters, spoon rests or art gifts. Students can choose from several artistic themes: fruits and vegetables, flowers, or landscapes. Each session is limited to 30 students. The fee covers all materials, and the \$15 fee can be taken from allotment. Students under 12 must be accompanied by parent or supervising adult.

Registration: You must register and pre-pay to attend. If you don't have allotment to cover the expense or you do not wish to use your allotment you can pay at the IDEA office with cash, check or credit card. You can pay by allotment or credit card over the phone by calling the IDEA Reception Desk with your information: 374-2200.
