

CLASS OF 2019

CAPS AND GOWNS

ORDER your cap, gown and tassel before April 1. The earlier, the better!

Ordering Options– You can order your graduation outfit from whichever supplier you choose. The colors must be Royal Blue and a 2-color (Royal Blue and Gold) tassel. Some suggestions:

- Tassels and Trim online (quick turn around) <https://trimandtassels.com/cap-gown-and-tassel-set-matte-finish.html> Be sure to select royal blue gown and cap, and royal blue and gold tassel. Charms can vary in design. Pick whatever charm you prefer. Gold looks better than silver. Gowns are matte finish - they do not wrinkle as easily as shiny gowns. Depending on which charm you select, the set will be approximately \$24.00 and the shipping will be in a Priority Mail box (approximately \$17.00). If you do not need the set, order the items that you need. Items will be shipped to the address that you put into your order. IDEA does not order these materials. Visit the Trim and Tassel website for more details!
- Jostens - They also sell other items such as rings, invitations, etc [Scott Brown is our sales rep: scott.brown@jostens.com](mailto:scott.brown@jostens.com) phone 800-567-8367
- a hand me down from a former graduate
- a second hand store find
- or purchase from any other retailer that offers the required outfit.
- I keep a few outfits at the office for families who cannot afford to buy these items.
